Seeing as Easter is just around the corner, I designed these cute window decals! 🪄 wasn't the easiest design to work with as a total beginner, but I love it! ❤️

They will be available on my store as soon as my vinyl stock arrives (tomorrow hopefully!)

Would you like to see more decals? 🤔

fitandfullbykayla that one time I was part of a 6-women crew that ran 340-miles from Santa Monica to Las Vegas. 🥰

la

on the eve of the most stellar, transformational experiences I've had as a @lululemon ambassador and runner to date, I'm in my feels overflowing with excitement for the adventure so many friends are gearing up to take on for the first time; @thespeedproject .

it's taken me a year to fully digest what unfolded over the course of the race; the Kayla that started in Santa Monica was an entirely changed human once she arrived in Las Vegas. in lieu of running TSP this year, I'll be sharing moments captured that I've been cherishing until the one year anniversary.

all the blissfeels for the entire #lululemon blissfeel crew. 🥰💕
